

*In the name of  
Our Lord God Almighty,  
Creator of heaven and  
earth and Our Lord and Savior  
Jesus Christ*

*we pray that each and every  
one of us who lives upon the  
earth this day bring peace and  
graciousness, kindnesses and  
love, compassionate embraces  
to all of us here and those who  
are above for our minds,  
bodies, souls and spirits to feel  
fulfilled in ways we know and  
that we can hear it in our soul's  
will's worth on earth.*

*Amen*
